After School Clubs

Clubs officially start tonight and run until 4pm.

Please remember that the school car park is not to be used for pick up unless you have a blue badge.

Clubs have been set up on EduLink and registers printed for the club organiser. If your child/ren decide they no longer want to continue with their club, please let the office know before you remove them from the club on EduLink.

Y4 Brass Tuition

Year 4 have now begun their 10 week block of music lessons. If your child wants to practice at home, you can hire instruments at a discounted price through glos Music.

If you have not yet done so, please remember to make your contribution to their tuition via ParentPay.

A concert will be arranged for Y4 parents to attend and details of this will be shared once known.

Year 3 Volcanoes

Last week our Y3 class had an explosive time creating volcanoes.

They built their models and then created eruptions by using vinegar and bicarbonate of soda. The class was split into groups so they could compare what combination of the elements, created the biggest eruptions.

KS2 Boys Football

Last Wednesday some of our KS2 boys attended the Atlas Football Tournament.

As always, we were extremely proud of how the children behaved both on and off the pitch. Both teams won games and demonstrated great sportsmanship.

Our Y3 & Y4 boys team have also qualified for the next round of the district finals at Shortwood. Well done everyone.
