Year 2 Learning

Year 2 have been learning about Emmeline Pankhurst.

They each made a sash and wrote some facts about Emmeline and the date in which all women over 21 were allowed to vote.

The children then marched around the school chanting 'Votes for Women' which they absolutely loved!

Great job Year 2!

Governor Vacancy

We have a vacancy on our Board of Governors for a Foundation Governor.

What is a Foundation Governor?

A Foundation Governor is someone appointed by the church to ensure that the school maintains its original values and religious ethos. Their role is particularly important in faith schools like ours, where the Christian values and traditions are a key part of our identity.

Foundation Governors work alongside other Governors to ensure that the school provides high-quality education and meets the needs of all pupils. However, their specific role is to ensure that decisions made by the governing body align with the school's religious foundation. This means that they play a part in promoting the school's Christian values through the curriculum, assemblies, and daily school life.

Cross Country

What a great turnout we had for the Cross Country event last week.

For many of the children, this was their first taste of a cross country run and as the photo's show, they loved it.

Everyone competed with a smile on their face and gave it their all.

As always, we are extremely proud of how the children behaved and represented the school.

Great job team King's Stanley!
