Remembrance Day

As yesterday was Armistice Day, we changed our assembly time so that we could hold a shared silence at 11am.

Reverend Dave came into school to host our Remembrance Assembly. The children were very respectful throughout and it was a great assembly.

Our School Parliament attended the village War Memorial with Mrs Hollis. Eliza laid the wreath and Daisy said a prayer before the 2 minute silence.

The villagers in attendance said it was nice to see the school represented and commented on the children's respectable behaviour.

Year 6 Netball

At the end of last term, our Y6 netball team took part in an Atlas Event held at Wycliffe School.

As we only started netball in the Summer Term, our team did not have the same level of experience as their competitors, but that did not stop them!

They played brilliantly and won 2 out of their 3 games! A great display of teamwork. Well done.

After School Clubs

Please remember that other than Young Voices, there are no other clubs this week.

Young Voices will be slightly different as they are making the lanterns for the trail on Friday evening.

PTFA Corner

What a great night our Quiz and Curry was on Friday. Thank you to everyone that came along and supported the event.

We will update you with the total raised as soon as we have it. In the meantime, we can confirm that the school disco raised a fabulous £452.03 and the recent cake sale, an impressive £300.25.

The PTFA work tirelessly behind the scenes arranging these events so your support, whether it's attending or helping, really is appreciated. Thank you.

Our next plea is for teddies! We are once again running the very popular Teddy Tombola at the Christmas Fair. If you are having a clear out, or looking for a great way to offload some of your child's cuddly toys with their permission, then please donate them to us!

We will take teddies in all shapes and sizes but we do ask that they are in very good condition. Thank you.

Stroud Literature Festival

Last week some of our year groups took part in the online sessions arranged for Stroud Book Festival.

The sessions were 1hr long and were with an author who has had a recent release.

Each session varied author to author but the aim was to engage with and inspire our young readers. It was a great to be part of the event.
