Sickness Update

We are currently experiencing increased numbers of absence for both pupils and staff.

To ensure we slow/stop the spread, please do not send your child/ren to school if they are unwell with an accompanying cough, have a high temperature or any sickness/diarrhoea.

Please also ensure that you are sticking to the 48hr rule with any sickness bugs as this is the best way to ensure we stop the spread.

Unfortunately, we cannot administer over the counter medication for illness at the moment (other minor injuries are exempt), so if your child is unwell and requires medicine during the school day, please keep them home.

Thank you for helping us keep everyone safe and well. Your co-operation is appreciated.

Kingfishers

Kingfishers will be open after school today (Monday 25th) but closed until Thursday at the earliest.

Unfortunately, due to sickness we do not have the staff available to open it.
