Safeguarding & Absence Procedure

A reminder that our school gates close at 8.55am. If you are arriving after this time, entry is via the school office.

In addition, if you take your child out for an appointment during school hours, please ensure you bring them back through the office. We need to sign them back onto the premises as part of our safety procedures.

Please do not let your children into the school playground through gate.

Schools have a responsibility, to know where children are during school hours. If your child is unwell, you should advise the school via EduLink or telephone before 9:30am.

When sending a message on the EduLink app, it is important that you tell us exactly what is wrong, such as: sore throat, temperature, has been sick, etc. Please try not to write illness or sickness.

For holiday requests, please remember to complete and return a holiday request form before you leave. Ideally, the request should be made as soon as your holiday is booked. Please do not use EduLink for holiday notifications, it should be used for sickness & appointments only.

All of these steps and processes are in place to keep your children safe and we appreciate your co-operation.

After School Clubs

Letters are being sent home today with details of this terms after school clubs. They will also be live on EduLink.

If you aren't booking on EduLink, please return your forms ASAP as spaces are limited and it is first come, first served. Thank you.

Look Who's Talking

We had an incredible response to our first 'Look Who's Talking' event.

Every child that entered had clearly worked hard on their chosen subjects and delivered their talk with confidence and passion.

A finalist was chosen from each class, and they delivered their talk to the whole school!

Unfortunately, we could only choose 3 of them to go on and represent our school at the next stage. They certainly made sure it was a difficult decision, but we are delighted to announce that our finalists are, Poppy in Y1, Alice in Y3 and Eliza in Y6.

Well done everyone!

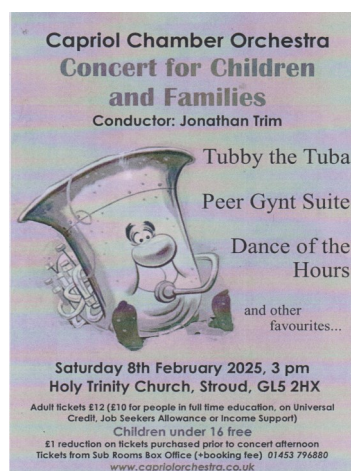

Music Concert

Mr Kempner, one of our wonderful music teachers, is participating in a local concert on Saturday 8th February at 3pm.

It is being held at the Holy Trinity Church in Stroud and children & families are welcome to attend.

Adult tickets are priced at £12.00 but under 16's are free.

As well as his 121 music lessons, Mr Kempner is currently teaching our Y5 class the clarinet.

Earlier in the year, he did a fantastic job teaching our Y1's the ukulele.

Booking details are on the poster if you would like to show your support.
