Monday 28th April

First Day of Term

Friday 2nd May

Inset Day

Wildlife Quiz

Our wildlife quiz team took part in their first round at Haresfield on Wednesday evening.

The team have worked really hard over the last week and came together in their lunch breaks to revise.

Our opponents, Haresfield had clearly done the same and it was an extremely close battle. So close, that the winners were decided with a tie-breaker.

Their hard work and dedication paid off though and we are delighted to share that they WON!

We are now waiting for details of the next round which will take place in June.

Well done Team KS!

Save The Date!

The PTFA are very excited to bring you a brand new event for 2025.....

The Family **COLOUR RUN**

This event is scheduled to take place on Sunday 6th July from 10am-1pm.

There will be 10 different time slots to choose from and tickets will go on sale just before the Easter break.

This event will be fun for all the family and with a distance of 1 mile, manageable for all ages! It will start at the school but the run itself, will take part on the Marling Field (2 laps).

Tickets will be made available to the wider community after the Easter holidays so don't delay booking your space!

Kings of King's Stanley

Preparations are in full swing for our biggest event of the year!

Once again, we are joining forces with the village fete and this year looks better than ever!

Our PTFA team have once again secured some top tier raffle prizes. Tickets will be sent home in the next few weeks so keep an eye in school bags.

Friendship Bench

Mr Arbon kindly sorted out a new friendship bench for our playground. He built it with the help of Alex and Thomas during a very cold Saturday morning.

During children's mental health week, we thought about connecting with others and how the friendship bench allowed us to do this.

There was a competition to make new signs for the friendship bench and we invited Mr Arbon back to judge the winners! It was a very tough decision, but the winners have been chosen and are in the making as we speak....watch this space for the grand reveal!

Value Certificates

Year Reception

Iris for being a wonderful writer by going back to read what she has already written so she can work out what comes next.

Year 1

Marcie has shown the values of respect and responsibility. She can always be trusted to be doing the right thing. Marcie listens carefully, works hard and is a lovely friend to others.

Year 2

Ewan has shown the value of responsibility. He is always one of the first to be ready to listen, has answered questions confidently and worked extremely hard all week.

Year 3

Rosa Th has shown the value of perseverance when improving her throwing and catching skills, in PE lessons.

Year 4

Scarlett R for being a wonderful scientist by giving a fantastic explanation of the water cycle and the processes involved.

Year 5

Bradley for being a wonderful philosopher by working hard in RE to understand and explain tricky concepts. Bradley has also maintained beautiful handwriting in longer pieces of work.

Year 6

Sophie H has shown the value of responsibility for her own learning. She has worked hard in maths to answer questions and took the initiative, to do extra outside the classroom.

WELL DONE EVERYONE
